

Sanny van der Wiel

Lawyer

Sanny has been a lawyer since 2021. She specializes in civil real estate law and construction law. In particular, she advises and litigates on leases, construction agreements and purchase agreements.

Before being sworn in as a lawyer, Sanny worked for over a year as a professional support lawyer at Sight. After obtaining her bachelor's degree from the University of Amsterdam, Sanny studied at the VU University Amsterdam. There she obtained two master's degrees, one in Private law and one in Transnational Legal Studies. During her studies she worked as a legal officer at the Stichting Rechtswinkel Bijlmermeer, a voluntary law clinic that is based in Amsterdam Zuid Oost and provides legal advice to those in need. She also did an internship at the legal department of the Dutch Ministry of Foreign Affairs.

Sanny has registered the following main areas and sub-areas of law in the Register of Legal Practice Areas of the Dutch Bar Association: Real estate law. On the basis of this registration, she is required to earn ten CPD points in each registered area of law per calendar year, in accordance with the standards of the Dutch Bar Association.
